Dear Alistair

P/17826/00 : Proposed development of a replacement Energy from Waste Plant including a High Temperature Incinerator

I am writing to formally advise you that the applicants have taken the difficult decision to withdraw the above application. I would be most grateful if you could confirm that the planning register has been amended to reflect the withdrawal of the application.

However, I would like to thank you and your colleagues, on behalf of the applicant and the project team, for the on-going assistance in dealing with this complex application.

Yours sincerely

Technical Director
